

Binder Park Jr. Golf Academy

Our Jr. Golf Instruction Club Program is built around providing quality golf instruction in a fun, safe, age, and ability friendly format. Students will start in the Club 25 program and earn their way to the next level through practice and qualifying events.

Club Program

Club 25: The goal is to shoot 36 or better for 9 holes from 25 yards from the green. Students will build the skills to accomplish this goal through our practice program and have the opportunity to reach this goal 2 times a month. Once a student achieves this goal, they will advance to the next club tee distance.

Club Program Distance:

- Club 25
- Club 50
- Club 100
- Club 150
- Club 200
- Club Red (Red Tee Markers)
- Club White (White Tee Markers)
- Club Blue (Blue Tee Markers)
- Club Black (Black Tee Markers)

All beginner golfers, age 5 to 14, will start at the Club 25 Program. All High School aged golfers regardless of ability level will start in the Club H.S. Program.

The Practice and Qualifying schedule is broken down into individual sessions throughout the summer. Each session will have 8 practice dates and two opportunities to qualify to the next level each session.

The cost of each session is \$80 per player and includes a Club Program Bag Tag and Rules Bag Tag. The qualifying events will have a \$10 fee per event.

Golf Clubs are available for players who do not have their own equipment and scholarships are available for qualifying families.

Registration

You can register for Club Programs through the Battle Creek Rec Department website at the link below.

<https://recreation.bcparks.org/>

click Register Online (left hand side)

click on Youth Golf

You can also register for the Club Program inside the Binder Park Golf Course Pro Shop. Please ask the staff in the Pro Shop for Registration information.
